SMART BATTERY CHARGER & MAINTAINERS

Restores your battery and extends battery life.

1.5A 6V/12V LEAD ACID & LiFePO4

CS612015L

6V 12V 12V 14.4V
Lead Acid Lead Acid AGM LiFePO4

FEATURES

- Easy to use
- Extends battery life
- Charges all lead acid and Lithium batteries: Wet, Gel, MF, CA, EFB, AGM, LiFePO4
- Charge range: up to 40 Amp-hours
- Maintenance charge: up to 60 Amp-hours
- Multi safety protections
- LCD Indication Panel

THE KIT

CS Charger

Eyelet connector

Alligator clip connector

6A 6V/12V LEAD ACID & 4.5A LiFePO4

CS1206L

6V 12V 12V 14.4V 12V
Lead Acid Lead Acid AGM LiFePO4 DC Adapter

FEATURES

- Easy to use
- Extends battery life
- Charges all lead acid and lithium batteries: Wet, Gel, MF, CA, EFB, AGM, LiFePO4
- Charge range: up to 120 Amp-hours
- Maintenance charge: all battery sizes
- Restores your battery (Detects sulfation and acid stratification)
- Multiple safety protections
- LCD signal indication
- Power supply (DC adaptor included)
- Battery tester

Alligator clip connector

Female cigarette connector

10A 12V LEAD ACID & 9A LiFePO4

CS1210L

12V 12V 14.4V 12V
Lead Acid AGM LiFePO4 DC Adapter

FEATURES

- Easy to use
- Extends battery life
- Charges all lead-acid and lithium batteries: Wet, Gel, MF, CA, EFB, AGM, LiFePO4
- Charging and maintenance of all 30-300Ah Lead-Acid batteries
- Charging 9-108Ah LiFePO4 batteries
- Restores your battery (Detects sulfation and acid stratification)
- Multiple safety protections
- LCD signal indication
- Power supply (DC adaptor included)
- Battery tester
